Omschrijving

Jeanneau Cap Camarat 7.5 Day Cruiser Serie II. Voor meer informatie neemt u contact op met: Boatservice Dannijs B.V. Setheweg 187942 LB Meppel Boatland.nl T: 0031(0)522-240511 CAP CAMARAT 7.5 DC SERIE 2: THE DAY CRUISER NEXT GENERATION! The Cap Camarat Day Cruiser line is versatile, with long lines and protective cockpits, allowing for all types of marine activities? and even coastal cruising? with family and friends. Faithful to the DC line, the Cap Camarat 7.5 DC SERIE 2 features extended lines and a wraparound windscreen, while offering an entirely redesigned cockpit. The generous U-shaped cockpit saloon, which is modular and secured by a gate, enables

ease of movement about the boat and to the wide swim platforms, for easy access to the water. The aft bench seat features a reversible seat back, enabling an alternate orientation toward the aft for swimming and a sundeck on the starboard swim platform. This new model is not short on cruising comforts: the interior is voluminous and bathed in light, with wide windows in the deck and hull. It offers a generously sized double berth with a view of the sea, a nice storage area, and a separate head compartment. Cruising is safe and comfortable, with a copilot bench seat facing the sea and a perfectly integrated bimini or cabriolet top, all with the famous hull designed by Michael Peters for the 7.5 CC/WA/BR SERIE 2.
