This Neptunus 156 is a solid build yacht, and has just undergone works for around euro 9,000 in the engine room.

The aft deck is spacious and wide, the salon is open to the bridge leading down to the cabin mid ship and fwd, with very spacious bathrooms

The deck area has a lot of space and a new bimini on the fly deck. High quality vessel, well maintained. A great yacht for this price for family and friends.
