Omschrijving

Wir sprechen Deutsch, we speak English! Zeer professioneel en compleet uitgevoerde XO250 die pas in 2016 in gebruik genomen is. Te bezichtigen in onze showroom in Loosdrecht! A very exciting boat, the XO 250! Build in 2014 but commissioned in 2016 she has only 70 hours on her smooth running and very powerfull Evinrude. Extremely well kept! The XO line of boats is regarded the 4*4 of the sea and for good reason... You will have to experience yourself how well this boat behaves. She was intended for charter use and specced for that purpose but never actually chartered due to excessive local bureaucracy..... She is therefore equipped with all the extras you can think of, at least we...

Amongst which: ASC R automatic trim tabs Fusion 205 Marine Radio Ski Pole Bimini Cover Table swappable fore/aft Harbour coverfull cushion set Full Esthec in platinum Raymarine A128 navigation plotter, touch VHF Raymarine 260 Shower with water tank additional 12V sockets The boat has lots of storage and seating space but is still compact enough to be easily trailered. You are welcome to view the boat personally or call/email for more details!
