 This sloop-rigged Swan 65 named "Kings Legend" is one of the most legendary yachts built by Nautor Swan and designed by Sparkman & Stephens. Sailed the Whitbread in 1977/78 at the 2e place after another Dutch famous yacht; "Flyer".
 Winner of the price for the best kept S&S designed Swan. In the hands of her present very experienced owner since 1999. Continuously refitted and improved.

She needs a bit of care, but she is basically a strong and well build yacht. Ready at the Med for private or charter cruising and Swan Club Racing. What about entering the Golden Globe Whitbread 2023 race
