## Omschrijving

Fraai onderhouden, geschikt voor Franse kanalen. Compleet en fris jacht, klaar voor nieuwe eigenaar. Very well maintained Super van Craft 14.80 with 2 MAN diesel engines. This boat has a foldable instrument arch and foldable windscreens, so the French canals are no problem with the low heights. This boat offers huge living spaces and all options to comfortably live aboard for a longer period. Central heating, washing machine, dishwasher, generator, bowthruster, separate shower cabins, etc. She has it all. The complete electric installation, including battery chargers and inverter, has been replaced in 2009.

This Super van Craft offers a spacious aft deck with bimini, an

extensive helmstation covered by a sprayhood, wide side decks and huge front deck. Combined with a swimplatform and electric davits with an almost new dinghy, she truly offers great comfort outside. Once underway the captain can keep great control due to the double engines, especially in combination with the bowthruster. And do not forget the autopilot for extra ease and safety.

## Basisinformatie

Merk :	Super Van Craft
Type :	14.80
Lengte (m) :	14.75
Breedte (m) :	4.45
Diepgang (m) :	1.40

Fraai onderhouden, geschikt voor Franse kanalen.  
Compleet en fris jacht, klaar voor nieuwe eigenaar.

Very well maintained Super van Craft 14.80 with 2 MAN diesel engines. This boat has a foldable instrument arch and foldable windscreens, so the French canals are no problem with the low heights. This boat offers huge living spaces and all options to comfortably live aboard for a longer period. Central heating, washing machine, dishwasher, generator, bowthruster, separate shower cabins, etc. She has it all. The complete electric installation, including battery chargers and inverter, has been replaced in 2009.

This Super van Craft offers a spacious aft deck with bimini, an extensive helmstation covered by a sprayhood, wide sidedecks and huge front deck. Combined with a swimplatform and electric davits with an almost new dinghy, she truly offers great comfort outside. Once underway the captain can keep great control due to the double engines, especially in combination with the bowthruster. And do not forget the autopilot for extra ease and safety.

Entering the salon is a joy as well. High quality woodwork, large windows and beautiful cream leather upholstery make the perfect ambiance. Not to mention the large opening hatch in the roof. In the rear is the large ownerscabin with island bed. Good size bathroom with shower, washing machine and easy entrance to the engineroom. In the front ship the galley and dinette and further forward the guestcabin with toilet and shower compartment. The entire interior has hardly any traces of usage.

A great example of a well maintained young classic.
