One of the last 1st version Dufour 455 GL built, an owners version with 3 cabins and fully equipped for blue water cruising. She was well equipped before she crossed the Atlantic with the ARC in 2017. Again in 2019 she had a lot of equipment renewed and replaced (bowthruster, Nav. equipment etc) before turning back to Portugal. With her extended mast and keel she has excellent sailing qualities combined with a comfortable 3 cabin owners layout below deck. For the sailor with blue water sailing ambitions, looking for good sailing handling, appreciating high quality and comfort, this is

the one!
