Model description:

Bavaria 37 Cruiser is not just a scaled up version of the earlier 36. The Bruce Farr Yacht Design and Design Unlimited of the UK have completely revamped the cockpit and interior layout on this model. Twin wheels provide a clear walkway aft to the huge openable swim platform, a signature feature of these designs, particularly suited for Adriatic or Caribbean cruising.

Performance is enhanced by the power of a roll mainsail, and tacking is made easy with the genoa. She is equipped also with a full cockpit tent cover.

Below decks there are 3 double cabins and a large head with shower to port, and an efficient L shaped galley opposite to starboard. 6â€³ 3â€³ • Headroom, copious opening hatches, with plenty of room.

Accommodation

3 cabins, 6 berths, 1 head
