 More info on hull: AWL grip 2014
 Extra info: new anodes March 2019
 Very popular HR 42E in stunning and superb state, looking smart and even better in real. The engine has been replaced in 2003 by a 5 cylinder VW, what an immense silence!
 Between 2014 and 2017 so many renewals and improvements done, count with us: AWL grip hull, clean-and-go Copper coat antifouling, Sikaflex teak deck, engine shaft, propeller, rope cutter, batteries, charger/inverter, bow thruster, full electronic package, Webasto heating, rigging. All replaced during the last

years. For sure this yacht is very well taken care of and in a totally ready to go condition!
