Omschrijving

With the SLX 250, Sea Ray worked all the angles, coordinated all the systems and composed a premium sport boating experience to leave you breathless. The Grip 6 hull and Mercury power up to 380 horses keep you glued to the helm. A wide cockpit ringed with multi-density foam seating ensures full comfort. Quiet Ride noise reduction makes it easy to hear just how thrilled your family is, while the deluxe head ensures nobody's day needs to end prematurely. Precisely crafted excellence ensures a precisely excellent craft. Algemeen Overig: THE SCIENCE BEHIND THE SILENCE

Quiet Ride?, featuring Tuned Transom®, is a system of

technological advances exclusively available on Sea Ray boats. It reduces Noise, Vibration and Harshness (NVH) by up to 50%, so conversations are easier, fatigue is reduced, concentration is enhanced. The natural world feels more natural, more intimate, and you experience the wonder that drew you to boating in the first place.
