### Omschrijving

A larger version of our new VR5, the VR6 is also all about space and unparalleled roominess. It combines Bayliner's category-leading BeamForward design and new Aft Advantage concept which increases the self-draining cockpit's seating area by adding the swim platform at the end of the running surface. This boat maximizes space and value like never before regardless with an outboard. You'll also find pleasant surprises like a lockable enclosed changing room (head optional), and aft-facing companion/observer seat that's ideal for water sports and with the addition of a filler cushion creates a comfortable U-lounge that turns the whole aft section into an inviting gathering
