Owner comments:

Boat was bought in 2014 from the first owner. It was rarely used before and was in prime condition inside and out. The kitchen was barely used and oven was never used before 2014. Even though the condition of the boat was great, it was thoroughly inspected for anything need changing of servicing. Above is a list of the things that have been done on the boat in 2014/15. Boat is situated in Croatia as it was from new. Land transport can be arranged. The boat is on sale because it got too small for our needs, otherwise it is incredibly fast and as all Faurbys exceptionally built.
