Level indicator (blackwater): Yes

Blackwater tank extraction: pump

Inside helm position: Yes

This stunning award winning Fountaine Pajot Victoria 67 has a complete sea terrace view from the fly deck and a very large aft main deck that brings you close to the sea. 3 big solar panels make her 100% self sufficient at anchor in the daytime. A brand new port side main engine has just been added.

The interior design dominated by strong, simple, light fabrics, gives a feeling of lightness and space.

Beautifully designed and well maintained by an experienced caring owner and a dedicated captain who took care of her since her birth. Each time I have visited the vessel she has been immaculate.
