Omschrijving

The 110 Tender lives up to its name, serving admirably as a yacht tender, but it also goes far beyond the typical inflatable or RIB. This Boston Whaler's light weight and shallow draft allow you to explore remote locations with confidence. The 110 Tender is available with oarlocks and optional tiller-steered Mercury outboard power, making it terrific as a starter boat as well. Yacht-quality touches like sleek stainless steel rails, bow locker and bow and stern cleats round out a premium sport boat experience.
