 Extra info: mast lowering system to be operated by 1 person through anchor winch
 Extra info: electrically operated leeboards (2018)
 Very well maintained and luxury 14,50 m. paviljoentjalk from 1896. After a thorough refit in 2000 from among others the cherry interior, many improvements were made afterwards. Such as a new Vetus 128 hp common rail diesel engine, Python drive, leeboards and a luxurious lounge coach with bimini. Due to the double

glazing, Trumatic heating and isolation she is very comfortable for a long stay on board. Easy to sail in the inland waters due to the mast lowering system to be operated by 1 person. A modern classic yacht suitable for a large sailing area.
