Universal engine in 2015, forstay changed in 2014 to a new Furlex 200s, equipped with solar panel, dinghy, outboard engine etc!

?The Rival 34 is a classic cruiser with impressive offshore credentials.?

The Rival line of boats was made by Southern Boatbuilders in UK. The boat was designed by Peter Brett, a legendary designer known for creating well-built blue water cruising vessels that have a solid history of long-distance passage-making and mastering the

most difficult weather. This genuine classic is easy to steer and directionally stable. Top speeds in fine winds reach 6-8 knots. The elegant lines with her purposeful raised bow and pinched stern give her a distinctive appearance. With its heavily fiber glass encapsulated keel, it is one of the strongest boats you will find.
