Cheeky Monkey is a great example of the popular and well laid-out Princess 21M. She is a 2007 model, tax and MAT tax paid. Cheeky Monkey has only had 2 owners from new and in spring 2019 she underwent a full internal refit. The work list included new carpets, side panels, curtains, galley, mattresses, total renewal of soft furnishing and bedding. New Fusion zoned music system, TV, ice maker, total generator re-build, AC overhaul, teak on fly bridge, Bimini and frame, all new exterior cushions and main engine service. She has been a hassle free boat this season and is a true turnkey example. Twin crew cabin aft starboard side, Midship Owners cabin, forward VIP, Double Guest to Starboard and twin bunk to Port. A great cabin layout for 8 guests and 2 crew. This year she was granted a Spanish charter license and has performed well for her first season with advance bookings confirmed for the 2020 season (max € 5k a day € 30k a week, season dependent). In summary, an excellent, well looked-after and modernised example of the classic, great sea-faring Princess 21M.
