This classic De Vries Lentsch was built in 1985 and has had two extensive refits in 2007 and 2012. The most recent one included a transom extension, new teak decks, paint and all new lower deck guest accommodation including marble bathrooms. This Dutch pedigreed yacht is in great condition and maintained to class. Key features include a full-beam master suite plus three guest cabins, a huge covered aft deck as well as an economical and seakindly 3,000nm range. Viewing is highly recommended.
