### Omschrijving

Strong cruiser-racer. Perfect for a race even more for a long cruise. Algemeen Overig: The Beluga 40 is a very good sailing ship. The design is by Satellite Yacht Design (Kees van de Stadt). The ship is built in woodcore epoxy which results in a very strong and at the same time light construction.

The ship is largely built at Schaap Shipcare in Lelystad. This ship is fitted with a hydraulic lifting keel with a draft of 1.30 to 2.40 meters. The teak deck has been refitted this spring 2017 and looks like new again. In addition, the entire superstructure and the cockpit were repainted in 2-component paint in 2017. The interior is modern white and equipped with all conveniences. Do you want

to sail in the front with competitions or do you want to make a big trip? This ship is very suitable for both purposes. An all-rounder that will never let you down. This ship is from the first owner and has an extensive sailing wardrobe.

CE-A certified. The VAT is demonstrably paid and the ship is registered as a land registry.

Ballast 2500 kg.

Strong cruiser-racer. Perfect for a race even more for a long cruise.

### Algemeen

Overig: The Beluga 40 is a very good sailing ship. The design is by Satellite Yacht Design (Kees van de Stadt). The ship is built in woodcore epoxy which results in a very strong and at the same time light construction. The ship is largely built at Schaap Shipcare in Lelystad. This ship is fitted with a hydraulic lifting keel with a draft of 1.30 to 2.40 meters. The teak deck has been refitted this spring 2017 and looks like new again. In addition, the entire superstructure and the cockpit were repainted in 2-component paint in 2017. The interior is modern white and equipped with all conveniences. Do you want to sail in the front with competitions or do you want to make a big trip? This ship is very suitable for both purposes. An all-rounder that will never let you down. This ship is from the first owner and has an extensive sailing wardrobe.

CE-A certified. The VAT is demonstrably paid and the ship is registered as a land registry.

Ballast 2500 kg.

The teak deck needs attention.Â

It is possible to sail with the keel all the way up and all the way down. You have to sail under the 2 knots to control the keel.
