

Merk: Parker
Prijs: € p.o.a.
Lengte: 9.7 m
Breedte: 3.16 m
Romp materiaal: Polyester
Bouwjaar: 0

Bedrijf: Mertrade B.V.
Adres: Expansie 54
8316 GA Marknesse
Tel : 0612084554
Website: <http://www.mertrade.nl/>

Omschrijving

All features and dynamics of the 900 but extended to give more space and carrying capacity. The Parker 1000 Baltic delivers the same performance as the 900, whilst handling extra payload with greater reserves of buoyancy. The rib can be powered by twin outboards up to 700HP or twin diesel stern or jet drive up to 700HP. The 1000 Baltic is a logical step forward for those who demand that little bit extra. Available as an open rib or with cabin/wheelhouse option. For twin diesel installations the deck height is increased by 12 cm which gives the craft more buoyancy and an increased capacity of the fuel tanks. This is standard for all Parker Arrow and Parker Baltic Cruiser models as all three model

enjoy the same hull.
